

2023 OCP Presentation Descriptions

12:30 PM

Seminar Room 1: Terrafix

Hosted by: Isabel Perez

Subgrade Improvements (Cost Savings / Value Engineering)

Seminar Room 2: Sika

Hosted by: Mark Crozier

Cold Weather Grouting and repair

Seminar Room 3: Dryvit

Hosted by: Rob Santarosa

Outsulation MD System and specialty finishes

1:30 PM

Seminar Room 1: Terrafix

Hosted by: Bruno Herlin

GCL Technical Specifications (Getting the correct products on site)

Seminar Room 2: Simpson Strong Tie

Hosted by: Genady Lubarsky

Adhesive and Mechanical Anchorage to Concrete

Seminar Room 3: Henry Company

Hosted by: Mark Clyde

Advanced Waterproofing Systems

Description: Henry's Dundeq and Pumadeq advanced waterproofing systems are preventing water penetrations in a variety of applications from parking garages, balconies, terraces, roof decks, green roof, bridges decks, pedestrian, and vehicular traffic applications. Learn how to design, specify, and install on your next project.

2:30 PM

Seminar Room 1: Terrafix

Hosted by: JJ Breede

Erosion Control Solutions for pollution minimization and regulatory compliance.

Seminar Room 2: J P Specialties, Inc. / Earth Shield® Waterstop

Kadin Poole

'Introduction to Waterstop with Fit-to-print CAD and Augmented Reality.' I will be touching on fit to print waterstop fittings (for new and existing construction) print take-offs, and the newest technology in CAD, in addition to an introduction to waterstop, and the importance of secondary containment.

Seminar Room 3: Dupont

James Conor

Building Encapsulation Science

3:30 PM

Seminar Room 1: CertainTeed Acoustic Walls & Ceilings

Hosted by **Michelle Maybee, P.Eng, CTR**

The ceilings and walls you create in a space are more than mere surfaces, they offer an opportunity for acoustic benefits that help workers focus, students learn, and patients heal and they offer an opportunity for aesthetic beauty that inspires creativity and contributes to the well-being of occupants.

The CertainTeed Architectural Products portfolio includes solutions for every space and every budget, from economical acoustical tiles and suspension systems to specialty solutions and during this session we will touch on the range of solutions and support that is readily available in this market.

Seminar Room 3: CPD

Hosted by: Charles Bosworth

CPD's cement base products for concrete restoration and repair: vertical & overhead repair, fast setting & high strength, concrete topping as well as epoxy and cement grouts
